Dear US primary exporters of SLABs and Hazardous Waste:

Please plan to listen to the video webinar on January 18 regarding electronic notification/reporting requirements by following the link below:

<https://clu-in.org/conf/tio/AES/>

This link will connect you to the CDX database for entering 2016 annual report information:

<https://cdx.epa.gov/>

In addition, consult the link below for changes to the export-import regulations effective this year:

<https://www.epa.gov/hwgenerators/frequent-questions-about-hazardous-waste-export-import-revisions-final-rule>
